Dear AIMS Family (Indonesia),

On behalf of SEAMEO RIHED, we are delighted to inform you that the biennial **Inter-regional Research Symposium (IRRS)** will be held on **20-22 November 2024 at the Sukosol Hotel in Bangkok, Thailand**. This year's theme, 'Transforming Higher Education: Towards Sustainable Development, will provide an exceptional opportunity for participants to share their original research, stay updated on progress and engage in important discussions on addressing regional and global goals for higher education and development.

The **Call for Abstracts for the 2024 IRRS is now open**, and submissions are being encouraged along three key tracks, which include Navigating the Digital Transformation of Higher Education, Fostering Lifelong and Flexible Learning, and Higher Education's Role in Climate Action, reflecting the pressing issues facing regional and international higher education today. **As your partner in higher education, we invite you to register and join us to learn about the recent developments in the inter-regional higher education scene. Feel free to disseminate the information about the upcoming 2024 IRRS, including the Call for Abstracts, and share this information in your network with interested participants.**

You can know more information about the event in this website:

<https://rihed.seameo.org/2024-symposium/>

We have also attached the information package for the 2024 IRRS in this link: <https://bit.ly/2024IRRSCommunicationsPackage>, which includes the tentative programme, call for abstracts, and further relevant information for sharing. Alternatively, you can repost from our **social media channels** directly: [Facebook](#), [LinkedIn](#)

Your continued support and contributions are greatly appreciated, and should you have any queries or require any additional information, please do not hesitate to contact us at symposium2024@rihed.seameo.org or rihed@rihed.seameo.org
